

# Deseret Chemical Depot

CHEMICAL MATERIALS AGENCY  
CREATING A SAFER TOMORROW

**COL Van Pelt**  
**Commander**  
**Deseret Chemical Depot**

# Technical Assessment Update

- **Department of Defense Directive**
  - CMA currently conducting a technical assessment that outlines options meeting the April 2012 treaty deadline
  - Options including transportation and reconfiguration of select stockpiles, use of Non-stockpile systems, concurrent processing of munitions and additional technical alternatives
  - Safety of workers, the public and environment are the highest priorities in any assessment option
  - Interim briefing given on March 4 to DoD with full briefing expected in April

**NO DECISIONS HAVE BEEN MADE**
